

# Napranum

## Learn about NDIS *and* help mob.

**Come to a FREE learning seminar with Martina Hazelbane.**

**Come to the Napranum PCYC  
129 Napranum Road, Napranum  
Thursday 2 June 9am to 4pm**

**There will be delicious snacks and lunch!**

Join Martina for a fun and interesting day exploring:

- the National Disability Insurance Scheme, called the NDIS
- and how to build and grow your business.

The NDIS is for eligible people with a disability – including Aboriginal and Torres Strait Islander people – to choose the supports they need from their own community.

- Are you already caring for a family member or friend?
- Are you providing support to someone?
- Do you have a business or idea that would be a good fit in the NDIS?
- Are you interested to know more about starting your own business?

The people and businesses that provide supports, therapies and activities are called NDIS service providers. But there are not enough of them in your community.

**Martina is a Larrakia/Warai Traditional Owner from Darwin and the Adelaide River region of the Northern Territory. She works with communities across the Northern Territory and Queensland.**

**She is coming to Napranum to work with mob.**
